1. **Group/Organisation Name**

2. **Are you** (please tick box that applies)

- **A Group/organisation run by older people**
- **A service provider**

(Please note that a group or organisation run by older people can become a full member, and a service provider organisation an associate member. The Better Government for Older People model excludes provider organisations from full voting membership as they are not associations of older people. However, they can participate as associate members to support the work of the Senior Council. For organisations, the local senior council will be the usual point of entry, for membership or co-option, depending on their area of operation.)
